Renowned Constructors and Architects

City Vision is a building construction company offering a wide range of architecture and construction services to clients in Pakistan. The company is known for its innovative designs, attention to detail and commitment to quality. City Vision has a team of experienced architects, interior designers and construction professionals who work together to deliver exceptional projects.

The design of Cityscape by Veranda is inspired by modern architecture, with clean lines, sleek finishes and open spaces that create a sense of harmony and balance. Each apartment is designed to maximize natural light and ventilation, with floor-to-ceiling windows that offer breathtaking views of the cityscape.

Islamabad is known for its modern architecture, beautiful parks, gardens and diplomatic enclaves. It is a planned city that was designed in the 1960s by a Greek architect and it is home to several important government buildings, embassies and international organizations. Islamabad has a population of around 1 million people and is known for its clean and green environment. While you plan to live in Cityscape, Mumtaz City, you can get to enjoy all these facilities and luxuries easily.

Mumtaz City is a modern residential project located near Islamabad International Airport. It is a secure and gated community that offers a variety of residential options to its residents, including apartments, villas and commercial plots. Mumtaz City is developed by Mumtaz Construction Company, a renowned name in the real estate industry of Pakistan.
